monday

Pray God would grow Christian students as disciples of Jesus during their studies (2nd goal of GBU). Please also pray for the event taking place tonight helps Christians and non-Christians alike to grapple with the gospel.

Pray God would strengthen and motivate Christian students by the gospel so they would announce it faithfully amongst their fellow students (1st goal of the GBU).

Pray that, motivated by grace, students would worship God for the gospel and that they'd love each other and the lost (2nd value of the GBU).

Pray that, as the academic year starts, the work of the GBU would be more visible thanks to flyers handed out and the contacts made during the freshers week, as well as other ways so that many students would learn more about Jesus and follow him.

Pray for GBU starting up again in Brussels tonight: that many students would get involved and that God would use this group to grow His kingdom.

tuesday

Pray a good number of students would get involved in the GBU this year in Brussels, and that these Christians who are on "the front line" would be bold, faithful and filled with love as they open their mouths to speak of Christ.

Thank God for the partnerships between the GBU and a few churches. Pray that these would multiply and be strong, and that churches would understand that GBU exists to serve them by supporting their students in the faith and mission.

Thank God for the positive impact GBU has had amongst students in Belgium over the past decades, and for all those who served them. Pray the GBU would continue to have a positive impact in the coming years in evangelism, edification and training of students.

Join with NIFES Nigeria in praying for God to provide more gospel-workers, and for the security of churches in the Muslim majority in the north of the country.

wednesday

Pray that the GBU & its students remain founded on the word and that they'd seek to understand, celebrate and defend the truth of the gospel (1st value of the GBU).

Pray for wisdom as we look for a new GBU worker, and that we'd be able to find one soon. The harvest is plentiful (over 170,000 students in French-speaking Belgium), but the labourers are few (currently 1.5 full-time)!

Pray the GBU would persevere in discipleship, encouraging and equipping students in the faith for a life of godliness and mission (4th value of the GBU).

Pray that the GBU & its students would be resolved to be united around the essential truths of the gospel (5th value of the GBU).

thursday

Pray that, soon, GBU groups would start in other cities so that more students would be supported in their mission of disciples who make disciples in universities and colleges.

Thank God for Noah, our apprentice who will spend this year serving GBU. Pray it is a year of growth for him (in the faith & service), and for those who will be following him throughout the year. Pray that God would use him in his harvest field.

Praise God for the freedom Christians have in Belgium to share the gospel. Pray this continues to be the case and that students would make the most of it, strengthened by Him to share it with more than 170,000 students who need to hear.

Pray for Christian students who feel alone and isolated. Pray they'd be able to join a GBU group or other believers on their campus in order to be encouraged and supported in the faith and in the mission.

friday

Thank God for the love of GBU-supporters for students which manifests itself in their prayers and their financial & moral support. Pray this partnership which is key and often behind the scenes would be strong and would grow.

Pray the GBU would remain active in evangelism whilst proclaiming Christ crucified and resurrected faithfully, pertinently and attractively (3rd value of GBU).

Pray GBU-students would be bold and faithful evangelists on a daily basis, and that they would organise many evangelistic events at the GBU this year.

Pray for the GBU students in Brussels: that they'd be rooted in gospel & motivated by it thanks to the Bible studies (on 1 Corinthians) which will take place at GBU this year.

saturday

Pray for the translation project of Uncover Luke, a resource that helps Christians share the gospel from Luke's Gospel. Pray it would soon be available and that it would help many students and others in the French-speaking world share the good news.

Thank God for the students who will be taking on responsibilities at GBU this year. Pray they'd grow in the faith & service, and that God would give wisdom to those who will be discipling and training them.

Pray that our ministry would be more known thanks to the GBU stand which is at the convention of La Rébellion (the French-speaking youth section of the Gospel Coalition) today. Pray that as a consequence more students would benefit from our ministry.

Pray the GBU & its students would always be dedicated to the local church which is the main place of growth and service of believers (6th value of the GBU).

sunday

Pray God would equip students through the GBU & their churches so that they communicate the gospel better on a daily basis to their generation which knows the Bible and its central truths much less than previous generations.

Thank God for the faithful churches that the students are part of and for the leaders he gave these churches to equip the saints for the work of ministry (Eph 4:11-16). Pray students would be committed to their churches.

Thank God for the elders/pastors of the churches that students are part of, and pray they'd keep a close watch on themselves and the teaching. Pray students would not despise them, convinced of the importance of their work (1 Tm 4:12-16).

Pray the students would respect those who labour to teach them, who are over them in the Lord and admonish them in their church. Pray they'd esteem them very highly in love because of their work (1 Thes 5:12-13).

Thank God for the support students have from their church and pray these would continue to encourage them in the Truth so that they'd be firmly rooted in Christ and equipped for a life of daily service & mission.
